**Ms. Winfrey:**

The Great Gandhi once said "if you want to change the world, be that change". Peace to you for all the changes you have made, and continue to make.

I hope you enjoy the photos from my collection.

Ms. Winfrey, I support Senator Barack Obama, I feel he is eminently qualified, a savior for our country, and the scales of justice that the world needs.

I feel **HOW AMERICA ELECTS HER PRESIDENTS** would be a great addition to the campaign of Senator Obama.

This booklet is convenient, educational, well written if I might add, and fun to read. The booklet would help people remember and to discuss Senator Obama.

**HOW AMERICA ELECTS HER PRESIDENTS** is available for change, additions, or deletions to meet the needs of our candidate.

**HOW AMERICA ELECTS HER PRESIDENTS** would be a great gift for guess of the **OPRAH WINFREY SHOW** during the entire 2008 Presidential campaign.

Ms. Winfrey if you and or your staff are interested in discussing these matters further, I am available at your convenience

Respectfully Yours
